

Greetings from the DON

To all families and friends of Bowral House

As many of you would know we have had some changes occur at Bowral House over the last few months with the departure of our long-standing DON Collette Beaufils. We enjoyed a celebration with staff and residents to thank Collette for her 14 years of service and dedication to the Bowral House Family.

We would like to take this opportunity to introduce to you the management team at Bowral House and we look forward to working closely with you now and in the future.

Director of Nursing
Joanne Nellestein

Deputy Director of Nursing
Tara Conlon

Clinical Nurse Specialist
Charlotte Blaxland

Please come and see us at any time to discuss any concerns or feedback you may have.

We have commenced our renovations on Level 1 with the removal of the wallpaper and commencement of painting. We appreciate your patience with this process.

With the warmer weather the residents have started to enjoy the outdoor areas, and we look

forward to the tulips coming out over the coming months.

Thank you for your ongoing support and appreciation of all our hard-working staff.

Kind Regards

Joanne, Tara and Charlotte.

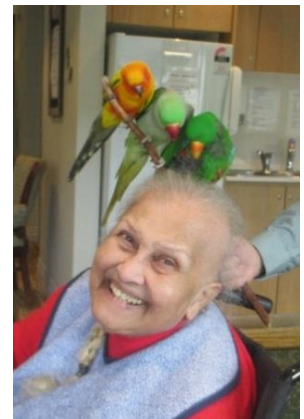

Activity Highlights
