Welcome to Dural House

With **Over 50 Years of Excellence in Aged Care**, the Directors, Management and staff at Thompson Health Care invite you to discover luxury in Aged Care Living.

Dural House is nestled in the leafy, green suburb of Dural, part of Sydney's picturesque Hills District in the city's north-west. Surrounded by semi-rural landscapes, the area offers a peaceful and serene environment, perfect for relaxed living. Despite its tranquil setting, Dural benefits from excellent transport links, making it easily accessible for family and visitors alike.

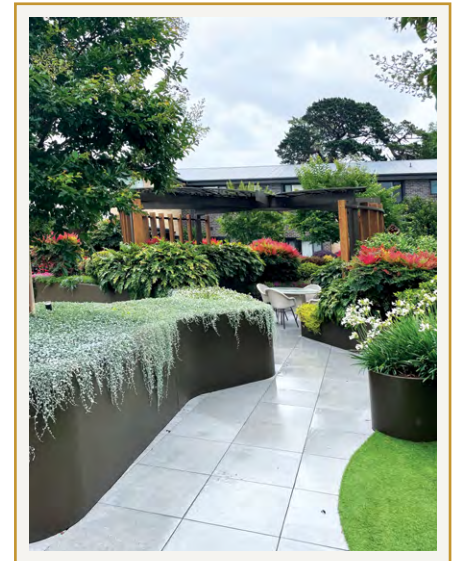

Residents enjoy the comfort of **spacious, elegantly designed single and double suites**, each with a private ensuite and large windows that fill the rooms with natural light. Every suite is equipped with a state-of-the-art bed, flat-screen TV and complimentary Wi-Fi for added comfort and convenience.

Dural House is **surrounded by award-winning gardens and peaceful courtyards**, providing the perfect setting for residents to relax outdoors or enjoy meaningful connections with others. An on-site café offers a variety of refreshments, enhancing the welcoming, community-focused atmosphere.

Thompson Health Care are committed to **understanding and meeting every resident's personal health and well-being needs**.

That means carefully tailored individual care plans, the chance for residents to choose their own doctor as well as to take advantage of easy onsite **access to allied health professionals** such as dental, physiotherapy, podiatry and optometry.

“Residents don’t live in our facilities,
we work in their homes”

Dining Experience

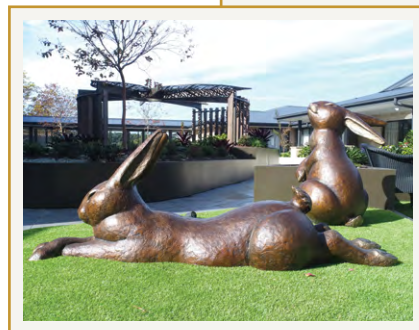

There's a variety of delicious and nutritious meals on the menu at Dural House, created by our Hospitality Services Team and dietician. Meals are prepared by our in-house professional chef using fresh seasonal produce, and a choice of dishes will be offered at breakfast, lunch and dinner, designed to cater to all tastes.

Residents can choose to have meals in one of our many dining rooms or opt for room service. Our private dining room can be used when entertaining guests.

Gardens and Courtyards

Our award-winning landscaped gardens and courtyards are beautiful, providing an interesting and enchanting outdoor space where residents can relax and sit comfortably in the sun, share an afternoon tea with friends or participate in gardening classes with our on-staff horticulturist.

Wellbeing and Lifestyle

Our **7-Day Wellbeing Program** is designed to maintain the health and wellness of our residents, offering a carefully curated selection of activities. From exercise programs including garden walks and games to high teas and weekly happy hour, live entertainment, gardening groups, hand massages and foot spas, jewellery making, pet therapy, seated yoga, Zumba seated exercise programs — plus more.

Residents can enjoy regular outings in our comfortable Mercedes-Benz bus, exploring a variety of local attractions and points of interest. Additional features include our in-house cinema, hair and beauty salon, and a peaceful chapel — all set within stylish, contemporary interiors. Residents also enjoy convenient access to library books through Hornsby Library.

Residents can join as many activities as they wish or enjoy the privacy of their own suite.

Café

Our popular in-house café offers a welcoming space for residents and visitors to relax, enjoy a refreshment, and connect with new friends. A friendly café attendant is available Monday to Friday to assist and serve.
