we work in their homes”

Dining experience

Our Hospitality Services Manager works alongside our dietician to create a variety of delicious and nutritious meals. Meals are prepared by our in house professional chef using fresh seasonal produce, and served in one of our many dining rooms or as room service. Our private dining room can be used when entertaining guests.

Residents are offered a choice of meals at breakfast, lunch and dinner to ensure all tastes are catered for.

Gardens and courtyards

Professionally landscaped designed gardens and courtyards provide interesting and enchanting outdoor space where residents can either sit and relax quietly in the sun or share an afternoon tea with friends.

Lifestyle and engagement

Our **7 Day Program** is designed to maintain the health and wellness of our residents through a diverse range of activities. From exercise programs including daily outdoor walks and games to high teas and happy hour, live entertainment, book clubs, art classes, relaxation and meditation, plus more.

Regular bus outings in our Mercedes Benz bus takes our residents out to explore interesting local attractions.

Additional features are our arts and craft room, in house cinema, hair and beauty salon, chapel and library, all amongst stunning modern interiors.

Residents can join as many activities as they wish or enjoy the privacy of their own suite.

Café

Our popular in house café provides a place for residents and visitors to gather and socialise in the company of new friends.
